

25 March 1958

To: Contracting Officer, SP-1915

Subject: Total Authorized Funds

Under date of July 24, 1957, it was agreed that no part of the \$1,700,000 mentioned in Section C. of Appendix I would be spent until further specific authorization is given by the Contracting Officer. Subsequently, a number of specific approvals have been issued by the Contracting Officer for work described in various letters between us.

Can you kindly confirm that the agreement mentioned above applied only to the item specified in said Section C; and, consequently, that the Contractor may rely upon the total amount of \$2,750,000 allocated to the contract for work within the descriptions of Sections A and B of Appendix I and of Contract Approval letters signed by the Contracting Officer.

Yours very truly,

Bob
